Please consider sponsoring a Gallery 37 student for the 2018 Apprenticeship Program.

Gallery 37 is a youth arts employment program sponsored through the West Valley Arts Council (WVAC). Originating as a beautification project in Chicago, Illinois of Block 37, Gallery 37 has since spanned into an international summer arts program in which young adults are brought together from their community to create a permanent public art piece. As of 2018 the WVAC has worked with High School Students to produce 18 pieces of public art in several West Valley Cities including Avondale, Buckeye, El Mirage, Goodyear, Peoria, Surprise, and Tolleson.

Each \$250 donation will:

- Provide a stipend to a student to attend a five week education and apprenticeship program
- Help a student receive 3 free art design credits from Estrella Mountain Community College
- Introduce a young adult with an interest in the arts to new media
- Provide ample networking opportunities for students to meet other student artists and guest speakers, and clients they are working for on the project
- Allow a student to take part in creating a public piece of art that will be implemented in a focal area in the West Valley

If you are interested in sponsoring a student, call the West Valley Arts Council today at 623.935.6384, or fill out the below form, tear off and return to the West Valley Arts Council. Thank you for your time and consideration.
